Dear Ms. King,

Sam Houston Race Park respectfully requests a change to Texas Racing Commission Rule 303.42 (d) regarding charity race dates. The requested change would allow a racing association to expand its choice of equine related charities to include those focused on equine welfare as well as equine research.

Suggested wording:

Texas Racing Commission Rule 303.41 (d) At least one of the charity days must be conducted for a charity that directly benefits the persons who work in the stable or kennel area of the racetrack. At least one of the charity days must be conducted for a charity that primarily benefits the welfare of race animals or research into the health or safety of race animals.

Please feel free to call me at 281-807-8787 if you have questions.

Thank you for your consideration.

Very truly yours,

Ann McGovern

Dear Ms. King,

Sam Houston Race Park hereby requests to delete Thursday, December 29th and Friday, December 30th from the 2006 racing schedule.

After a review of the 2006 racing calendar these two dates represent the racing schedule for the final week of the year. It is our opinion that by deleting these two dates it will provide for a natural break in the racing schedule between Christmas and New Years.
