COMMITTEE ON HORSE RACE DATES

Wednesday, August 3, 2011
11:00 a.m.

Retama Park
Racing Office – Recreation Room
One Retama Parkway
Selma, TX 78154

Agenda

The Committee will meet to discuss potential horse race dates for calendar year 2012 and the first eight months of 2013. This meeting is being held in conjunction with the Application Period for Race Dates that the Texas Racing Commission opened at its meeting on April 1, 2011. Racetracks must submit their initial request for dates to the Commission no later than July 15, 2011. The Commission expects to consider the racetracks' requested race dates at its scheduled meeting on August 16, 2011.

This meeting will provide a forum for the associations, breed associations, horsemen's organization, other racing industry stakeholders, and the public to provide input on the proposed calendars that have been submitted by the racetracks.

Persons with disabilities who plan to attend this meeting and who may need auxiliary aids, services, or special accommodations should contact Bill Childs at (512) 833-6699 at least two (2) working days prior to the meeting so that appropriate arrangements can be made.

Race Date Allocation

The Texas Racing Act

Sec. 8.01. Allocation.

- Each racetrack shall accord reasonable access to races for all breeds of horses as determined by the racetrack through negotiations with the representative state breed registry with the final approval of the commission.
- In granting approval, the commission shall consider the following factors:
 1. availability of competitive horses,
 2. economic feasibility, and
 3. public interest.

Sec. 8.02. Charity Days.

- The commission shall grant at least two and not more than five additional days to each Class 1 racetrack and to each Class 2 racetrack.
- The commission shall insure that the races held by an association on a charity day are comparable in all respects, including the generation of revenue, to the races held by that association on any other racing day.

Race Date Allocation

The Rules of Racing

Sec. 303.41. Allocation of Race Dates.

- The commission shall establish the time period or periods for which it will consider granting race dates.
- The application must be on a form prescribed by the commission.
- The executive secretary may require the association to submit additional information if the executive secretary determines the additional information is necessary to effectively evaluate the request.
- In allocating race dates under this section, the Commission may consider the following factors and the degree to which the association's proposed race meeting will serve to nurture, promote, develop, or improve the horse or greyhound industry in Texas:
 1. the association's current ability to pay all fees and other amounts owed to the commission, to the state, and to local governments;
 2. the association's willingness and ability to comply and past performance in complying with the Rules and provisions of the Act;
 3. the current condition of the association's racetrack and facilities for patrons, race animals, and occupational licensees;
 4. the anticipated effect of the proposed race meeting on the continuity of racing during the year;
 5. the live race dates requested by other associations licensed to conduct races for the same species of animal;
 6. the anticipated overall economic effect to the state from the race meeting;
 7. the anticipated effect of the race meeting on the greyhound or horse breeding industry in Texas;
 8. the anticipated effect of scheduled race meetings in neighboring race states on the proposed race meeting; and
 9. the anticipated availability of race animals for the race meetings.

Race Date Allocation

The Rules of Racing

Sec. 303.41. Allocation of Race Dates. (continued)

- The commission shall approve the actual days awarded, and the total number of performances. The commission may require a minimum number of races in a race meet.
- An association shall conduct pari-mutuel racing on each race date granted under this section, and in accordance with the race date calendar approved by the Commission, unless the association receives the prior approval of the executive secretary.
- If circumstances beyond the control of the association prevent the association from conducting a performance, the commission may award a make-up performance.
- An association may request a change to the live race dates granted by the commission provided the association obtains the approval of all associations that are affected by the proposed change. This subsection applies to any proposed change to the number or format of live race dates.

Sec. 303.42. Approval of Charity Race Days.

- A Class 1 or Class 2 horse racetrack shall conduct at least two and not more than five charity race days each year.
- An association shall pay to the charity at least 2% of the total pari-mutuel handle generated at the association's racetrack on live races and imported simulcast races on the charity race day.
- At least one of the charity days must be conducted for a charity that directly benefits the persons who work in the stable or kennel area of the racetrack. At least one of the charity days must be conducted for a charity that primarily benefits research into the health or safety of race animals.

Sec. 303.43. Allocation of Live Race Dates for Class 1 Racetracks.

- The Commission may not grant overlapping live race dates for the same breed of horse at Class 1 racetracks unless the overlapping is agreed to in writing by the affected Class 1 racetracks.

Lone Star Park's request, if approved, would reduce the total number of thoroughbred race days by seven. This is accomplished by eliminating two four day race weeks in July and by adding one race day in June.

Retama Park's request, if approved, would increase the total number of mixed meet race days by ten.

The following are 2012 race dates previously granted by the Commission:

RE: Laredo Downs – Request for Live Race Dates

Dear Mr. Jackson:

LRP Group, Ltd. is not requesting Live Race Dates for the time period of January 1, 2012 through August 31, 2013 due to the pending Request for Approval of Change of Location and/or Acquisition of Pecuniary Interest in a Horse or Greyhound Association filed by LRP Group, Ltd. on October 27, 2010 (the "Application"). This Application seeks relocation of the Class 2 horse racetrack currently licensed in Webb County, Texas to Tarrant County, Texas. Until that Application has been addressed by the Commission, seeking Live Race Dates is not appropriate.

The Texas Racing Commission previously approved Live Race Dates for Laredo Downs during the month of August, 2011. As the Commission is aware, those dates will not be run in light of the pending Application. To the extent the Commission believes it is appropriate, LRP requests that the live race dates currently approved for 2011 be withdrawn by Commission.

Sincerely,

William J. Moltz

Dear Sammy:

Saddle Brook Park is not seeking any live racing dates at this time for the 2012 race year. Saddle Brook Park is engaged in a transaction to sell and gain approval for the transfer of its license. In addition, Saddle Brook Park anticipates participating in the upcoming rule-making resulting from the recent "Sunset Legislation" and consideration of a "remote" simulcast facility prior to the construction of an actual racetrack on our site on I-40 west of Amarillo. Accordingly, at this time, I do not anticipate Saddle Brook Park will be in a position in 2012 to actually conduct live racing (as opposed to simulcasting of live racing).

Please feel free to contact me if you have any questions or need additional information.

Sincerely,

Drew Alexander

RE: Valle de los Tesoros – Request for Live Race Dates

Dear Mr. Jackson:

Enclosed is Valle de los Tesoros, Ltd.'s ("VDLT") Request for Live Race Dates for 2013 as requested by the Texas Racing Commission ("Commission").

As the Commission is well aware, VDLT will not be running live racing meets in 2011. VDLT has pending a Request for Approval of Simulcast Operations at a Temporary Location (the "Application") submitted by VDLT on May 6, 2011. The Application proposes a plan for simulcast operations at a temporary location in Hidalgo County. This plan recognizes industry challenges such as attracting and maintaining patrons, raising purse money to incentivize quality racing, and general financial difficulties at race tracks, and provides a new, innovative solution. Should the Commission approve the Application, VDLT anticipates opening at the temporary location as quickly as possible.

Sincerely,

William J. Moltz
